Chapter Announces Scholarship Program—Apply Now! Spread the Word!

The Chapter is pleased to announce the availability of scholarship applications for this year. Over the years, the Chapter has awarded tens of thousands of dollars to area students in the environmental field and the long-running program continues for the 2008-2009 school year. The scholarships are open to: - Students interested in pursuing a career in the environmental profession - Full time or part time students for the 2008-2009 school year - Undergraduate or graduate students - Must either reside in, or attend a college or university located within the Delaware Valley Chapter area (Eastern Pennsylvania, Southern New Jersey, or Delaware). The applications will be due by March 18, 2009. Information and a copy of the application are available from Marj Fitzpatrick of IES Engineers at (610) 828-3078 or mfitzpatrick@iesengineers.com. If you are requesting an application via e-mail, please include "DVC Scholarship" in the subject line.

Scholarship Application Reviewers Needed

The Scholarship Committee is looking for members to help review scholarship applications for our Chapter's 2008-09 student scholarship program. The application reviews typically take 1-2 hours of your time and will be done in April 2009. Guidance will be provided for reviewing the applications. If you are interested or have any questions, please contact Marj Fitzpatrick of IES Engineers at phone number or e-mail listed above, please include "DVC Scholarship" in the subject line when sending an e-mail.
